

Dear Fellow Supervisors,

Please be advised that I shall not seek re-election to The Board of Supervisors.

The Palm Aire Community and the elected supervisors have elected me continuously as Supervisor and CEO, respectively. It's been a privilege to serve since inception and I am grateful for it. Ten years have passed and it is time to pass the baton.

After the organizational meeting which will follow the November elections, I shall stand ready to go to help the new CEO and ensure a smooth transition.

Regards,

Dr. Ralph Calatchi
